

100e

PAPER CARTON SEALING TAPE

100e is an aggressive pressure-sensitive paper carton sealing tape that features an adhesive specifically designed to provide a strong and secure seal on a variety of carton types and sizes. This tape features a 100% recycled backing with smooth and consistent unwinds for easy application whether using a handheld tape dispenser or in a high speed carton sealing machine! This tape also does not need to be removed prior to recycling the carton.

MADE WITH 100% RECYCLED PAPER!
