

E-COMMERCE IS A LIFELINE FOR MILLIONS

MOBILIZING IPG'S SUPPLY CHAIN TO KEEP YOUR E-COMMERCE MOVING

With more and more people practicing social distancing and ordering the things they need online, e-commerce suppliers may be experiencing a supply chain crisis. To remain viable, they need to be able to package product for shipment. In these times of uncertainty, it's important to have a source you can rely on for all your packaging needs. **IPG is ready to help you help others** with a full array of domestically available packaging supplies to keep up with an unprecedented demand for shipped goods.
